Committee Meeting Held

Honorable Todd K. Apo  
Chair, City Council  
City and County of Honolulu

Mr. Chair:

Your Committee on Transportation and Planning, which considered Bill 5 (2009) entitled:

**"A BILL FOR AN ORDINANCE RELATING TO BANNERS,"**

which passed First Reading at the February 25, 2009 Council meeting, reports as follows:

The purpose of this Bill is to add Punchbowl Street, between Vineyard Boulevard and King Street, and Beretania Street, between Alapai Street and Alakea Street, to the list of "authorized streets" along which the display of banners from lampposts is allowed. Your Committee understands that Queens Health Systems requested this amendment in anticipation of their 150<sup>th</sup> Anniversary Celebration that will occur this July.

A representative from the Department of Facility Maintenance expressed concerns over the increase in workload and costs for employee overtime if additional streets are included that permit the display of banners on lampposts.

A representative from the Queen's Health System expressed support for the Bill.

Your Committee recognizes that Queens Health Systems has a long and rich tradition of service in Honolulu, and that the celebration of its 150<sup>th</sup> anniversary is an event worthy of public interest and promotion.

Your Committee has amended this Bill by adding a new provision that increases from \$35.00 to \$75.00 the fee currently charged for every banner that is displayed. In addition, your Committee has also added a "sunset" provision that automatically repeals, effective July 31, 2009, the amendments made to the definition of "Authorized street."

Your Committee on Transportation and Planning is in accord with the intent and purpose of Bill 5 (2009), as amended herein, and recommends that it pass Second Reading and be scheduled for a Public Hearing in the form attached hereto as Bill 5 (2009), CD1. (Ayes: Okino, Dela Cruz, Garcia, Tam – 4; Noes: None.)

Respectfully submitted,

---

Committee Chair
